

## August 4th "Back2School" Parent Information Station

**The Packs4Backs Program** is sponsored by the Flagler County Education Foundation and provides backpacks and school supplies for children who are eligible and may otherwise go to school without needed supplies.

Thanks to generous sponsors that include Walmart; Jimmy Johnson Foundation; Palm Coast Data, LLC; Flagler County Association of Realtors, Inc.; Flagler County Chamber of Commerce; Women's Initiative of United Way, Flagler Home Builders Association, and many other businesses and individuals, backpacks and school supplies can be provided to families in need.

Since the supply is limited, children who are eligible for free lunch will be given priority and then children who are eligible for reduced lunch and/or have extenuating circumstances will be served while supplies last. If you fall into one of these categories, please complete the information below. This will be sent to your child's school. You may then **contact your child's school on or after August 15th for information on how your child will receive a backpack and school supplies.**
