Petition to Adequately Fund Public Education in Florida

We, respectfully demand, Governor Charlie Crist and the State Legislature to recognize and take responsibility to adequately fund public education per the state constitution:	***Constitution of the State of Florida*** *Article IX. Section 1. Public Education. — "The education of children is a fundamental value of the people of the State of Florida. It is, therefore, a **paramount duty** of the state to make **adequate provision** for the education of all children residing within its borders. **Adequate provision** shall be made by law for a uniform, efficient, safe, secure, and **high quality system** of free public schools that allows students to obtain a **high quality education**..."*
You've been elected to provided solutions to the issues facing Florida:	We, the undersigned, are concerned citizens, who urge our leaders to act now to find a solution to Florida's funding crisis.
