## Student Transportation Services - FAQ's

### 1. How can I find the pickup and drop off times, and the location of my child's bus stop?

Flagler County Schools website has a system called E-Link to display bus route information by school and grade levels. The web-site address for this system is <http://www.flaglerschools.com/content/bus-routes>. Enter the user name "GUEST", and password "GUEST", then enter your child's grade level, and your physical address. E-Link will give you the stop location, bus number/name and times (if busing is available). You may also contact the Registrar at your child's school to obtain this information. *See the school contact information below.*

Please have your student at the designated stop **10 minutes before** the posted pickup time.

### 2. What if we moved over the summer?

If your address has changed, or is not correct, please contact the Registrar at your child's school. They need to be able to verify your information.

### 3. What if I have a problem with E-Link or a transportation-related question?

Contact Student Transportation Services. email: [BusTrans@flaglerschools.com](mailto:BusTrans@flaglerschools.com) or phone (386) 586-2145. Hours of Operation: Monday—Friday 6am—5pm.
